**PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY**

**Premier Upgrades Office Systems to Serve You Better!**

In order to better serve you, we recently made a few changes. We have added some space to our existing offices to create a more open area that is dedicated solely to PDA. Additionally, it was important that we found a new space where the office staff can easily move around and communicate with one another about cases. We also upgraded our phone system to help you navigate your needs in a more timely manner.

*PDA RNs: Jennifer Herr and Andrea Lowry*

*PDA Scheduling and Insurance rock stars: Jennie Hertel and Terry Krasnesky*
