**PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY**

As our practice grows we are continually adding clinical staff. Last month we brought you three new physicians. This month you'll learn about the nurses who have recently come aboard also.

**Kirsten Marshall, RN**

Kirsten received her first B.S. from Portland State University in 2006 and then continued on to UM-Columbia Sinclair School of Nursing. She graduated from their accelerated program in 2010. When Kirsten is not working PDA, she is at University Hospital (Columbia) in the Medical, Neurosurgical Intensive Care Unit (MNICU).

**Emily Smith, RN**

Emily attended Mizzou School of Nursing. When not working PDA, she is working in adult med/neurosurgery ICU in Columbia. She is also currently studying for her CCRN and eventually hopes to go back for nurse midwifery.

**Frank Williams, RN**

Frank has been a nurse for 20 years. He earned his BSN from SLU and then went on to National Louis University for his MS in Business Management. He served in the Navy Reserves from 1988 to 1994 and the Air Force Reserves from 1994-2001. Franks has worked in recovery, ICU and a variety of nursing settings. In addition to nursing, he is also a licensed and certified sign language interpreter.
