**PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY**

**Thank You**

As the year comes to an end, we would like to thank you for helping us grow our practice. We started five years ago with only one van and just a small handful of Saint Louis based dental offices to service.

Our company has grown a lot since then and we are now, well on our way to traveling to offices in the Columbia and Kansas City areas nearly full-time. "PDA West" has bloomed so much that we have recently established a satellite location in Columbia and have a dedicated physicians and a team of nurses for this area.

The Saint Louis region of business is also growing and it remains strong.

We are feel grateful and privileged to have the continued opportunity to help you treat your dental patients.

We wish you a blessed and joyous holiday season and look forward to a prosperous new year.
