**PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY**

**Getting The Word Out**

A huge thanks to the **Mineral Area Dental Study Club** for inviting us to come and talk with them at their November meeting. Dr. Tom Saak represented Premier and he spoke not only on the ease and safety of using our service, but also on the upcoming changes the Missouri Dental Board will be instituting regarding dentists administering anesthesia in their own offices.

Rate your overall experience on a scale 1 – 5 for Premier Dental Anesthesiology

1 = Worst and 5 = Best

Results: September – October 2010

We know that your office is busy enough, which is one of the reasons we take care of walking your patient through their experience with us. From insurance questions, to health history and now a follow-up call a week after their treatment, we do our best to make your patient feel confident and safe every step of the way through their dental procedure.

To watch a video of a pediatric case completed in one of our St. Louis area dental provider offices, click on the 'NEWS' link when you visit our newly updated website:
