PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY

Premier is Reaching out to Missouri's Community Health Network

Pictured: Dr. Steve Smith, Andrea Lowry (RN), Caryn Dugan (Marketing), Jennifer Herr (RN).

Last month we attended the Missouri Primary Care Association's annual conference in Branson. Over our two and a half days of talking with attendees, we feel privileged to have been able to help the dental clinics in Missouri's Community Health Centers.

Because we are able to provide both a board certified anesthesiologist and a registered nurse directly to the dental chair, treating dental patients has not only been safe, but quick as well. Additionally, the hassle of scheduling OR time in the nearest hospital has been cut dramatically as we have helped keep those sedation patients in the dental office.

If you would like to learn more about how Premier Dental Anesthesiology can help you and your patients, please visit us at:
