Premier Dental Anesthesiology News

A New Face at Premier

Earlier this month we had to sadly say goodbye to our scheduler/insurance benefits guru, Mira. She has relocated to Columbia, MO and she will surely be missed! However, we were lucky enough to gain Jennie Hertel, who, is indeed, a master of this craft. Jennie has 20 years of medical experience with GHP and Great West Health Care, where she did pre-certifications, verified benefits and eligibility, processed claims...just to name a few! When Jennie is not here at Premier you will find her and her husband enjoying time with their eight-year old daughter, Mackenzie. They love to bike, swim or just spend time outside. She is excited to help Premier grow and looks forward to meeting all of the groups we serve and the ones who will soon be joining us. Welcome Jennie!

New Financing Option!

Recently, we teamed up with Chase Health Advance (formally known as Unicorn Financial) to offer your patients even more payment options. We have found that along with Care Credit, Chase Health has also been gaining in popularity among dental offices and we are always interested in easing the financial burden of your patients.

“Be good to your teeth or they will be false to you.”
