**PREMIER DENTAL ANESTHESIOLOGY NEWS TODAY**

## Fabulous Feedback!

For the better part of last year we asked our patients to rank our service. After a hiatus, we have brought back that survey and here are the results for July. The individual questions/comments can be found on our website: [www.PremierDentalAnesthesiology.net](http://www.PremierDentalAnesthesiology.net).

### Your overall experience with Premier Dental Anesthesiology

1 = Worst and 5 = Best

Here is what one patient told us last week:

“Jennifer and Dr. Elliott were wonderful, kind and very understanding of my anxiety. I felt very secure and will be scheduling another visit soon to have the rest of the work done. “

We would like to welcome the newest member to our Premier family:
