

Your Partner For Success

**“SAFE ANESTHESIA PROVIDED BY A
BOARD CERTIFIED ANESTHESIOLOGIST
FOR YOUR DENTAL PROCEDURE”**

Premier Dental Anesthesiology is the sole provider of in-office dental anesthesia in the St. Louis metropolitan area by board certified anesthesiologists. We bring to your dental office the level of anesthesia care that one would expect from a hospital.

- Approved by the *Missouri Dental Board*
- Hospital quality care
- Cases kept in house
- Easy scheduling
- Billing in advance with payment options
- Over 100 scheduled in office procedures in just two months

“ We provide turn key solutions to your general anesthesia needs in your dental office by a board certified anesthesiologist ”

Our Services Include ...

- Provide necessary training for dentist and staff through our State approved Sedation Monitoring Course
- Arrange all site inspections with the State of Missouri
- Furnish all documentation requirements to meet regulations
- Provide all equipment and supplies necessary
- Manage patient scheduling and precertification
- Offer a variety of billing options, including Patient Care Credit
